Commissioner for Patents

The reply filed on 4 October 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): The claims as presented in said reply are directed to inventions non-elected by original presentation. Applicant had elected without traverse in the reply filed 14 January 2003 to examine the product of claim 62, for example. The 4 October 2004 reply now reads on a process of using the elected invention and a product made by said process, inventions non-elected by original presentation. Said reply appears to be an improper attempt at rejoinder of a non-elected invention wherein said reply no longer presents claims directed to the elected invention; see MPEP § 821.04. In addition, claims 63, 65, 67, 69, 71 and 72 do not comply with 37 CFR § 1.121(c). Appropriate correction is required. See 37 CFR § 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR § 1.136(a).
